

Technical Controls merges with Valin Corporation of Sunnyvale, CA

January 1, 2012 - Technical Controls and Valin Corporation are pleased to announce the joining of our two companies. Our organization will now operate as Valin Corporation.

Our combined resources will allow us to enhance our services, while providing you with an even broader range of top-quality products and additional technical expertise. As always, you can continue to rely on our timely and professional customer support and our large inventory of products.

The management teams of Technical Controls and Valin Corporation have worked collaboratively in the past and are committed to integrating our operations quickly and efficiently. We hope you share our enthusiasm for this new and exciting association, and we thank you for your loyalty and support. We look forward to continuing to earn your valued business. Please call us if you have any questions or if we can assist you in any way.
